REMARKS

Defendant appeared, in custody, with counsel.

The Court has reviewed the Motion for Release from Custody (ECF No. 27); Response to Motion (ECF No. 29); as well as the Pretrial Services Report (ECF No. 5).

Government proffered their Response to Motion (ECF No. 29) and presented argument that there are no conditions which justify reconsidering the issues of detention or that there are no conditions which will reasonably assure Defendant's appearance as required and/or the safety of any other person and the community.

Defense counsel argued why there are conditions which justify reconsidering the issues of detention and that such conditions will reasonably assure Defendant's appearance as required.

The Court ordered:
